### LABOR IS NEEDED.

GREENWOOD, Miss., Nov. 21. (Sp.)—The need of laborers in Leflore county was expressed in a telegram sent to Gov. Marshall Gen. Crowder, at Washington, through local labor superintendent, Mrs. M. L. Turnage. The

telegram was signed by Mayor T. H. Baird, and followed: "This message is to assure you that all men taken away from this section by the army draft can be returned immediately if returned to their homes. We are in great need of laborers to gather cotton, which is rotting in the fields, because of the shortage of labor. We can use these men in all industries here."

## The DOCTOR'S ADVICE By Dr. Lewis Baker

The questions answered below are general in character, the symptoms or diseases are given, and the answers will apply in any case of similar nature.

Those wishing further advice, free, may address Dr. Lewis Baker, College Hill, College Street, Dayton, Ohio, enclosing self-addressed stamped envelope for reply. Full name and address must be given, but only initials or fictitious names will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order of wholesaler.

**Answer:** What you need is a laxative. The cold from your system. The following prescription will check your cold and cough. Get a 25-cent package of Concentrated Essence Menthol, and make according to directions on the bottle. Take a teaspoonful every hour or two until your cold is better. This will relieve you in a very few days.

**Traveler writes:** "Perhaps you can prescribe for me, as I am at a loss to understand my condition. For the past year I have suffered extreme nervousness, trembling and extremities are cold. Have poor appetite, am weak, listless and no ambition to work or seek recreation. Am tired all the time and in no sense the strong, capable man I was a few years ago."

**Answer:** A powerful rejuvenating nerve medicine should revive the dormant sluggish condition and put new ambition and energy into your blood and nerves. Obtain Three Grain Cadumene Tablets in sealed tubes, take per directions.

**NOTE:** For many years Dr. Baker has been giving free advice and prescriptions to millions of people through the news columns, and doubtless has helped in relieving illness and distress more than any single individual in the world's history. Thousands have written him expressions of gratitude and confidence similar to the following:

**Dr. Lewis Baker, Dear Sir:**—I have opened a few days ago to read the Pittsburgh Leader and there I noticed your column of questions and answers. I am suffering from constipation, and am suffering from constipation, and am suffering from constipation. I have been suffering from constipation for the last 3 years and have tried various remedies without avail. I am so grateful to you that I don't know how to thank you for it. Would be very glad to recommend it to anybody. Very truly yours,

## BULLET WOUNDS PROVE FATAL TO NEELY C. CARTER

Death Came Thursday Morning—Refused to Incriminate Wife Who Shot Him. Had Many Narrow Escapes.

After waging a valiant fight for life for five days, Neely C. Carter, 30, bloodhound officer, who has missed death by inches numerous times while braving the fire of desperadoes at bay, succumbed at St. Joseph's hospital Thursday morning at 1:30 o'clock to bullet wounds inflicted by his 18-year-old wife, Mrs. Nellie Carter.

Rough, unorthodox, unable to read or write, Carter's heart softened toward the little woman who shot him soon after he was taken to the hospital and to the last refused to make statements incriminating her.

Funeral services probably will be arranged for Friday afternoon. He is survived by his wife and father. His mother died when he was 2 weeks old. Carter was shot Sunday morning at 4:45 o'clock in his room at 203 North Second street following an alleged three-hour quarrel and fight. Mrs. Carter, who was only 14 years old when she married him, seized her husband's pistol after, she says, he snatched it against her breast in an effort to kill her.

She was immediately arrested and held in jail for 42 hours before making \$2,000 bond. She was bound over to the grand jury on a charge of assault to murder, which will be changed to murder, Mrs. Carter will plead self-defense, it is understood.

Carter, who is originally from Tipton, Tenn., became owner of the bloodhounds when his first wife's father, George Simpson, of that town, retired. Since then he has been shot at dozens of times and has trapped scores of criminals in Tennessee, Arkansas and Mississippi when the dogs were called out.

He participated in the recent revolver duel with Olin Davis and Otis Vance, auto bandits, with Emergency officer Joe Robinson, after the robbers had held up the station of the Standard oil company. Standing in an automobile, he was the target for the bandits' bullets. One missed his head by a fraction of an inch, being imbedded in the back of the front seat.

His dogs lent material assistance to authorities when Miss Antoinette Rapel was slain on the Macon road last summer and the negro, Eli Persons, was run down.

## WEST TENNESSEE LEADS STATE IN WAR FUND

West Tennessee leads all grand divisions in the state in the united war work campaign, according to advices reaching Dr. E. E. George Thursday morning.

West Tennessee, with a quota of \$175,000, subscribed \$60,995, an excess of \$114,005.

Middle Tennessee, with a quota of \$225,000, contributed \$743,000, an over-subscription of \$518,000.

East Tennessee, with a minimum of \$175,000, raised \$312,000, representing an excess of \$137,000.

There were 21 counties comprised in West Tennessee, 40 in Middle Tennessee and 35 in East Tennessee.

The extra- and give department in West Tennessee, under the leadership of John R. Tinsworth, exceeded its quota by 210 per cent. Madison county, with a percentage of 389 over allotment, leads all counties in this grand division. Haywood is second with a percentage excess of 305.

This Is Very Important. That you give Samelson an order for the boys' and boys' Xmas cigars, hacco, etc., now; he will pack and ship them correctly.

## ODD FELLOWS PLAN ILLINOIS CAMPAIGN

SPRINGFIELD, Ill., Nov. 21.—A movement is on foot here among delegates to the annual convocation of the grand lodge, Illinois Order of Odd Fellows, to divide the state into 60 districts for administrative purposes. Advocates of the proposed change in the government of the fraternity, who apparently are meeting with little opposition, contend that the new system

will eliminate difficulties heretofore experienced by head officers in reaching every lodge in the state.

It is proposed to name a man in each district who will have supervision over 15 or 20 lodges. He in turn will keep in close touch with the high officers and thus will be able to coordinate the work of his district with that of the other districts.

The grand lodge, grand encampment and Rebekah assembly opened their annual conventions today. The sessions will close Thursday. About 2,500 delegates are present from the three branches.
